GENERAL MEANING

🌱 WHY WE ARE HERE?

To heal, to pray, to play, to give thanks and to celebrate.

🌱 WHAT IS CONFERENCE OF BIRDS?

This unique gathering was created in order to acknowledge and share the Spiritual wisdom, healing music and ancient ways of connection which has been passed down from illuminated Sages until this day.

An Epic Journey of 7 days, passing 7 valleys of Love. With a great purpose of searching and becoming the mythic king of the birds .The SIMURG

🌱 WHAT MAKES THIS GATHERING UNIQUE?

We are here to dive deep, to practice unity, to connect with our true essence, see with our heart, share and create together to serve the conscious evolution.

RESPECT MOTHER EARTH and **SUPPORT** the flow of a living community.

Leave everything better than you find it.
We are the Children of the Great Mother Earth itself please
Do not throw your rubbish in nature.

SACRED FIRE

Fire is our Great Grandfather, It is a sacred portal between heaven and Earth, in the first night of our Gathering we will awaken the fire with prayers and we will protect the fire for 7 days. You can volunteer to be a Guardian of Fire to keep the fire burning!!!

This time is between you and the fire this time is not to chat its time to pray, sing or stay silent and listen. We always keep the fire place clean we do not put in the fire anything else than wood or some offerings to pray, and its the temple of the fire bird so please respect and you will see how you benefit to have a good relation with this powerful transformative element.
